#### **Guidelines for Questions**

- **Block 1: Company Details** is collected to authenticate and contact the respondent, if required. **Company Size:** Based on Investment in Plant & Machinery/ Equipment and Annual Turnover.
- Block 2: (a) Major Business Sector/Activity of your company: Select the major activity among the choice of 'services' and 'infrastructure' given the broad coverage of sub-sectors under two in the Annex.
- **(b) Building construction company (broad industry code 54 or 55):** Classifying a company under infrastructure sector:
  - 1. If your major activity falls under infrastructure as per latest updated harmonized master list of infrastructure subsectors published by GoI (2020) your company will be classified under **Infrastructure** for this survey.
  - 2. The residential and non-residential construction activities under codes 54 and 55 will be classified under Infrastructure, based on your answer to question b1 of Block 2, as per latest guidelines of GoI as mentioned in point 1 above. For example, if your major activity/business is affordable housing / affordable rental housing construction (under activity code 54), please answer to question b1 of Block 2 to include your company under Infrastructure for this survey. Similarly, please answer appropriately to question b1 of Block 2 in case of tourism related construction activities.
  - 3. If you are a construction company and engaged in Commercial Real Estate activities, please answer to question b2 of Block 2.
  - 4. Engineering Procurement Construction (EPC) is a standard form of project execution and contract design which is applicable to all infrastructure projects in general. Therefore, please select the appropriate activity from the list.
- (c) Annual Turnover: Select the appropriate option for turnover in Indian rupees.

## **Block 3: Outlook on Your Business: Assessment and Expectation**

The respondent should give their assessment and expectation on relevant parameters as compared to the previous quarter, *e.g.* the sentiments on turnover for assessment quarter (July-Sept 2017) should be given as compared to turnover in previous quarter (Apr-Jun 2017). Similarly, the sentiments on turnover for expectation quarter (Oct-Dec 2017) should be given as compared to turnover in assessment quarter (July-Sep 2017). The respondent should tick from one of the three options provided for each parameter (i.e. Increase/No Change/Decrease; Better/No Change/Worse) as appropriate or tick NA (Not applicable).

- **a:** Overall Business Situation refers to business environment of the company which may be impacted by macroeconomic environment, government policies, industrial policies, demand conditions, geo-political conditions, etc.
- **b:** Turnover/sales is the gross revenue generated through selling goods and (or) providing services during the quarter (e.g. in case of trading company, it is gross sales, for companies engaged in hotel/restaurant business, it is the total income generated from lodging, food & other services).
- c: Full-time Employees are the regular employees during a designated period.
- **d:** Part-time Employees are the non-regular employees during a designated period.
- e: Inventories here means the goods and materials that a business holds for the ultimate purpose of resale.
- **f:** Cost of Finance includes interest paid to banks/financial institutions/business partners, etc. and does not include funds that are ploughed back to business from surplus profit.
- **g:** Availability of Finance of a company is impacted by both internal (e.g., profit) and external (e.g., interest rate, access to finance, exchange rate).
- h: Salary/wages: Remuneration paid to the employees.
- i: Cost of Inputs includes prices paid by the company for carrying out business which may include (1) cost of goods purchased for resale (trading), cost of raw/semi-processed food materials (restaurant), cost of vehicles and fuel (transport) or any other item required for business, (2) payment of rent for use of trading store, hotel/restaurant space, office, warehouse etc., (3) cost of electricity, water (4) advertising cost, etc., but does not include wages & salaries given to employees.
- **j:** Selling Price, if applicable is the price of the services / goods sold.
- **k:** Technical / Service Capacity, if applicable is the maximum capacity of the company to produce the required goods or services. Technical capacity is mostly applicable to Infrastructure sector companies while services capacity is mostly applicable to services sector.

- **l: Physical investment, if applicable** is the investment done by the company in acquiring items like building, instruments, equipment, etc. it is mostly for infrastructure sector companies however, services like hospital, hotel and education institutes may also need it.
- **m: Profit Margin** = Net Income / Revenue, where Net Income may be taken as the difference between revenue and cost incurred (cost of input, operating expenses, salaries/wages etc.).
- **Block 4 What factors are affecting your business in current quarter?** Pick upto 3 factors, in decreasing order of importance/significance, influencing your business activities favourably or adversely. For example, if Exchange Rate is the most significant factor **favouring** your business followed by Demand and then Inputs, then **4(i)** should be filled as a. 8, b. 1, c. 3

## Block 5: Outlook on Overall Economy: Assessment and Expectation

The respondent should give their assessment and expectation about the Overall economy based on relevant parameters as compared to the previous quarter.

- **a: Annual Inflation Rate (annual percentage change in CPI (combine)):** The respondents should refer to the CPI(combine) numbers as publish by the Government.
- **b.** Annual Growth in Overall Economic Output (i.e. Gross Value Added at Basic Price): Annual percentage growth in the GVA at Basic Price.
- **c. Overall Demand for Goods & Services:** The respondent should give the demand of goods and services in the overall economy.
- d. Investment in the economy: Investment position in the overall economy.
- e. Exchange Rate (Value of 1 USD in INR): Exchange rate of US dollar in Indian Rupees.
- **f. Business Constraints:** Constraints faced by the business owner during normal production level. Please specify the most important business constraints in the mentioned space.
