B.5 Operation of Rural Branches

The other staff at the branch would devote the day to keep the house keeping work up-to-date. However, such a day shall

They shall also devote as much time as possible on the other working days of the week for doing as much field work as possible besides attending to the office routine. - (3) The policy on penal charges to be so levied shall be decided with the approval of Board of the bank.
- (4) The penal charges shall be directly proportionate to the extent of shortfall observed. In other words, the charges should be a fixed percentage levied on the amount of difference between the actual balance maintained and the minimum balance as agreed upon at the time of opening of account. - (5) It shall be ensured that such penal charges are reasonable and not out of line with the average cost of providing the services.
- (6) It shall also be ensured that the balance in the savings account does not turn into negative balance solely on account of levy of charges for non-maintenance of minimum balance.

156. These guidelines shall be brought to the notice of all customers apart from being disclosed on the bank's website.

A.5 Term Deposit Account

168. The bank shall adhere to the following instructions relating to operations in term deposit accounts:

- (1) The bank shall issue term deposit receipt indicating therein full details, such as, date of issue, period of deposit, due date, applicable rate of interest, etc.
- (2) Term deposits shall be freely transferable from one office of bank to another.
- (3) Advance instructions from depositors for disposal of deposits on maturity shall be obtained in the application form itself. Wherever such instructions are not obtained, the bank shall ensure to send intimation of impending due date of maturity well in advance to their depositors as a rule in order to extend better customer service.
- (4) Change in interest rate on deposits shall be made known to customers as well as bank branches expeditiously.
- (5) Repayment of Term / Fixed Deposits in banks:
 - (i) The signatures of both the depositors need not be obtained for payment of maturity proceeds of Fixed/term deposit accounts that are opened with operating instructions 'Either or Survivor'. However, the signatures of both the depositors may have to be obtained, in case the deposit is to be paid before maturity. If the operating instruction is 'Either or Survivor' and one of the depositors expires before the maturity, no pre-payment of the fixed / term deposit may be allowed without the concurrence of the legal heirs of the deceased joint holder. This, however, would not stand in the way of making payment to the survivor on maturity.
 - (ii) In case the mandate is 'Former or Survivor', the 'Former' alone can operate / withdraw the matured amount of the fixed/term deposit, when both the depositors are alive. However, the signature of both the depositors may have to be obtained, in case the deposit is to be paid before maturity. If the former expires before the maturity of the term deposit, the 'Survivor' can withdraw

the deposit on maturity. Premature withdrawal would however require the consent of both the parties, when both of them are alive, and that of the surviving depositor and the legal heirs of the deceased in case of death of one of the depositors.

- (iii) If the joint depositors prefer to allow premature withdrawals of fixed / term deposits also in accordance with the mandate of 'Either or Survivor' or 'Former or Survivor', as the case may be, it would be open to the bank to do so, provided it has taken a specific joint mandate from the depositors for the said purpose. In other words, in case of term deposits with "Either or Survivor" or "Former or Survivor" mandate, the bank is permitted to allow premature withdrawal of the deposit by the surviving joint depositor on the death of the other, only if, there is a joint mandate from the joint depositors to this effect.
- (iv) The bank is advised to invariably incorporate a suitable clause in the account opening form informing joint depositors with the mandate of "Either or Survivor" or "Former or Survivor" about the availability of an option to provide specific joint mandate which facilitates premature withdrawal of the deposit by the surviving joint depositor on the death of the other. The bank shall also inform its existing as well as future term deposit holders about the availability of such an option.
- (v) The joint deposit holders shall be permitted to give the mandate either at the time of placing term deposit or anytime subsequently during the term / tenure of the deposit. If such a mandate is obtained, the bank shall allow premature withdrawal of term deposits by the surviving depositor without seeking the concurrence of the legal heirs of the deceased joint deposit holder. Such premature withdrawal shall not attract any penal charge.
- (vi) When a fixed deposit account is opened in the joint names of two depositors on 'Either or Survivor' basis and the said joint depositors already have a savings bank account in their names jointly on 'Either or Survivor' instructions, on maturity of the fixed deposit, proceeds of the matured term deposit can be credited to the joint savings bank account already opened in the bank. A separate savings bank account need not be opened in the name of the first depositor for crediting the proceeds of the term deposit.

(6) The bank may, at the request of all the joint account holders, allow the addition or deletion of name/s of joint account holder/s if the circumstances so warrant or allow an individual depositor to add the name of another person as a joint account holder. However, in no case shall the amount or duration of the original deposit undergo a change in any manner in case the deposit is a term deposit.

(7) The bank may, at its discretion, and at the request of all the joint account holders of a deposit receipt, allow the splitting up of the joint deposit, in the name of each of the joint account holders only, provided that the period and the aggregate amount of the deposit do not undergo any change.

(8) NRE deposits shall be held jointly with non-residents only. NRO accounts may be held by non-residents jointly with residents.

(9) In cases where the Term Deposit accounts are frozen by the enforcement authorities, the bank shall obtain a request letter from the depositor for renewal. The depositor shall be given an option to choose the term for renewal of the deposit. In case the depositor does not exercise the option of choosing the term for renewal, the bank shall renew the same for a term equal to the original term.

(10) The bank is not required to deduct TDS from depositors who submit declaration in Form 15-G/15-H under Income Tax Rules, 1962. The bank shall give an acknowledgment at the time of receipt of such declaration.

(11) The bank shall provide TDS Certificate in Form 16A, to its customers in respect of whom it (bank) has deducted tax at source. The bank shall put in place systems that will enable it to provide Form 16A to the customers well within the time-frame prescribed under the Income Tax Rules.

A.6 Acceptance of cash over the counter

169. The bank shall refrain from incorporating clauses in the terms and conditions which restrict deposit of cash over the counters and ensure that its branches invariably accept cash over the counters from all their customers who desire to do so. In this connection, the bank shall comply with the Know Your Customer requirements for customers and walk-in customers as contained in [Reserve Bank of India \(Commercial Banks – Know Your Customer\) Directions, 2025](#) (as amended from time to time).

A.7 Opening of Bank Accounts in the Names of Minors

170. It has been brought to our notice that considerable difficulty is being experienced by women customers in opening bank accounts in the names of minors, with mothers as their guardians. Presumably, the banks are reluctant to accept the mother as a guardian of a minor, while father is alive in view of section 6 of the Hindu Minority and Guardianship Act, 1956, which stipulates that the father alone should be deemed to be the guardian in such case. To overcome this legal difficulty and to enable the banks to open freely such accounts in the name of minors under the guardianship of their mothers, it has been suggested in some quarters that the above provisions should be suitably amended. While it is true that an amendment of the above Act may overcome the difficulty in the case of Hindus, it will not solve the problem for other communities as minors belonging to Muslim, Christian, Parsi Communities would still be left out unless the laws governing these communities are also likewise amended.

171. The legal and practical aspects of the above problem were, therefore, examined by us in consultation with the Government of India and we are advised that if the idea underlining the demand for allowing mothers to be treated as guardians relates only to the opening of fixed and savings bank accounts, there would seem to be no difficulty in meeting the requirements as, notwithstanding the legal provisions, such accounts could be opened by banks provided they take adequate safeguards in allowing operations in the accounts by ensuring that the minors' accounts opened with mothers as guardians are not allowed to be overdrawn and that they always remain in credit. In this way, the minors' capacity to enter into contract would not be a subject matter of dispute. If this precaution is taken, the banks' interests would be adequately protected. We shall therefore, be glad if you will kindly apprise all your branches of the position as stated above and instruct them to allow minors' accounts (fixed and savings only) with mothers as guardians to be opened, whenever such requests are received by them, subject to the safeguards mentioned above.

172. The instructions on opening and operation in the deposit accounts of minors are given below:

- (1) Minors of any age may be allowed to open and operate savings and term deposit accounts through his / her natural or legal guardian.
- (2) Minors above such an age limit not less than 10 years and up to such amount and such terms as may be fixed by the bank keeping in view its risk management

policy, may be allowed to open and operate savings / term deposit accounts independently, if they so desire, and such terms shall be duly conveyed to the account holder.

(3) On attaining the age of majority, fresh operating instructions and specimen signature of the account holder shall be obtained and kept on record. Moreover, if the account is operated by the guardian, the balance shall be got confirmed. The bank shall take advance action, including communicating these requirements to minor account holders attaining the age of majority, to ensure fulfilment of these requirements.

(4) The bank is free to offer additional banking facilities like internet banking, ATM / debit cards, cheque book facility, etc., to the minor account holders basis its risk management policy, product suitability and customer appropriateness.

(5) The bank shall ensure that accounts of minors, whether operated independently or through a guardian, are not allowed to be overdrawn and that these always remain in credit balance.

(6) The bank shall perform customer due diligence for opening of deposit accounts of minors and undertake ongoing due diligence, as per the provisions of [Reserve Bank of India \(Commercial Banks – Know Your Customer\) Directions, 2025](#), as amended from time to time.

249. Since such nomination has to be made in the prescribed manner, the Central Government framed, in consultation with the Reserve Bank, the Banking Companies (Nomination) Rules, 1985. These Rules, together with the provision of new Sections 45ZA to 45ZF of the Banking Regulation Act, 1949 regarding nomination facilities were brought into force with effect from 1985.

If persons opening the account still do not want to nominate, the bank shall ask them to give a specific letter to the effect that they do not want to make a nomination. In case the person opening the account declines to give such a letter, the bank shall record the fact on the account opening form and proceed with opening of the account if otherwise found eligible. Under no circumstances, the bank shall refuse to open an account solely on the ground that the person opening the account refused to nominate.

268. In addition to obtaining nomination forms, the bank shall ensure that account opening form contains space for nomination also so that the customers could be educated about availability of such facilities.

269. Unless the customers prefer not to nominate (this may be recorded without giving scope for conjecture of non-compliance), nomination should be a rule, to cover all other existing and new accounts.

270. To popularise the nomination facility, publicity may be launched, including printing compatible message on cheque books, pass-book and any other literature reaching the customers as well as launching periodical drives. The methodology which the bank may like to adopt for this purpose may vary. However, one of the banks has devised a small slip indicating the availability of nomination facility and the slip is inserted in the cheque books and pass books and in current account statements. A specimen format of the slip is given below:

"Nomination facility available for -

- Deposits

Chapter VIII - Responsible Lending Conduct

A. Guidelines on Fair Practices Code for Lenders

317. On the basis of the recommendations of the Working Group on Lenders' Liability Laws constituted by the Government of India, the bank is advised to adopt the following broad guidelines and frame the Fair Practices Code duly approved by its Board of Directors.

A.1 Applications for loans and their processing

318. Loan application forms shall be comprehensive in respect of all categories of loans irrespective of the amount of loan sought by the borrower. With a view to bringing in fairness and transparency, the bank shall transparently disclose to the borrower all information about fees / charges payable for processing the loan application, the amount of fees refundable if loan amount is not sanctioned / disbursed, pre-payment options and charges, if any, penalty for delayed repayments if any, conversion charges for switching loan from fixed to floating rates or vice versa, existence of any interest reset clause and any other matter which affects the interest of the borrower. Such information shall also be displayed on the website of the bank for all categories of loan products. Some banks levy, in addition to a processing fee, certain charges which are not initially disclosed to the borrower. Levying such charges subsequently without disclosing the same to the borrower is an unfair practice. The bank shall ensure that all information relating to charges / fees for processing are invariably disclosed in the loan application forms. Further, the bank shall inform 'all-in-cost' to the customer to enable him to compare the rates charges with other sources of finance. It shall also be ensured that such charges / fees are non-discriminatory.

319. The bank shall devise a system of giving acknowledgement for receipt of all loan applications.

A.2 Timelines for Credit Decisions

320. While the bank is required to carry out necessary due diligence before arriving at credit decisions, timely and adequate availability of credit is a pre-requisite for successful implementation of large projects. Therefore, the bank shall clearly delineate the procedure for disposal of loan proposals, with appropriate timelines, and institute a suitable monitoring mechanism for reviewing applications pending beyond the

specified period. There shall not be any compromise on due diligence requirements. The bank shall also make suitable disclosures on the timelines for conveying credit decisions through its website, notice-boards, product literature, etc.

321. The bank shall verify the loan applications within a reasonable period of time. If additional details / documents are required, it shall intimate to the borrowers immediately.

322. In case of all categories of loans irrespective of any threshold limits, including credit card applications, the lenders shall convey in writing, the main reason / reasons which, in the opinion of the bank after due consideration, have led to rejection of the loan applications within stipulated time.

A.3 Loan appraisal and terms/conditions

323. The bank shall ensure that there is proper assessment of credit application by borrowers. The bank shall not use margin and security stipulation as a substitute for due diligence on credit worthiness of the borrower.

324. The bank shall convey to the borrower the credit limit along with the terms and conditions thereof and keep the borrower's acceptance of these terms and conditions given with his / her full knowledge on record.

325. Terms and conditions and other caveats governing credit facilities arrived at after negotiation by the bank and the borrower shall be reduced in writing and duly certified by the authorised official. The bank shall invariably furnish a copy of the loan agreement along with a copy each of all enclosures quoted in the loan agreement to all the borrowers at the time of sanction / disbursement of loans.

326. As far as possible, the loan agreement shall clearly stipulate credit facilities that are solely at the discretion of the bank. These may include approval or disallowance of facilities, such as, drawings beyond the sanctioned limits, honouring cheques issued for the purpose other than specifically agreed to in the credit sanction, and disallowing drawing on a borrowal account on its classification as a non-performing asset or on account of non-compliance with the terms of sanction. The bank does not have an obligation to meet further requirements of the borrowers on account of growth in business etc. without proper review of credit limits.

327. In the case of lending under consortium arrangement, the participating lender banks shall evolve procedures to complete appraisal of proposals in the time bound manner to the extent feasible and communicate their decisions on financing or otherwise within a reasonable time.

A.4 Disbursement of loans including changes in terms and conditions

328. The bank shall ensure timely disbursement of loans sanctioned in conformity with the terms and conditions governing such sanction. The bank shall give notice of any change in the terms and conditions including interest rates, service charges etc. It shall also be ensured that changes in interest rates and charges are effected only prospectively.

A.5 Post disbursement supervision

329. Post disbursement supervision by lender banks, particularly in respect of loans up to ₹2 lakh, shall be constructive with a view to taking care of any "lender-related" genuine difficulty that the borrower may face.

330. Before taking a decision to recall / accelerate payment or performance under the agreement or seeking additional securities, the lender bank should give notice to borrowers, as specified in the loan agreement or a reasonable period, if no such condition exists in the loan agreement.

331. The lender bank should release all securities on receiving payment of loan or realisation of loan subject to any legitimate right or lien for any other claim lenders may have against borrowers. If such right of set off is to be exercised, borrowers shall be given notice about the same with full particulars about the remaining claims and the documents under which lenders are entitled to retain the securities till the relevant claim is settled / paid.

A.6 General

332. The lender bank shall restrain from interference in the affairs of the borrowers except for what is provided in the terms and conditions of the loan sanction documents (unless new information, not earlier disclosed by the borrower, has come to the notice of the bank).

333.The lender bank shall not discriminate on grounds of sex, caste and religion in the matter of lending. However, this does not preclude lenders from participating in credit-linked schemes framed for weaker sections of the society.

334.In the matter of recovery of loans, the lender bank shall not resort to undue harassment, viz., persistently bothering the borrowers at odd hours, use of muscle power for recovery of loans, etc.

335.In case of receipt of request for transfer of borrowal account, either from the borrower or from a bank/financial institution, which proposes to take- over the account, the consent or otherwise, i.e., objection of the lender bank, if any, shall be conveyed within 21 days from the date of receipt of request.

336.Fair Practices Code based on the guidelines outlined in the paragraphs 318 to 335 above shall be put in place in respect of all lending. The bank shall have the freedom of drafting the Fair Practices Code, enhancing the scope of the guidelines but in no way sacrificing the spirit underlying the above guidelines. For this purpose, the Board of the bank shall lay down a clear policy.

337.The Board of Directors shall also lay down the appropriate grievance redressal mechanism within the organisation to resolve disputes arising in this regard. Such a mechanism shall ensure that all disputes arising out of the decisions of lending institutions' functionaries are heard and disposed of at least at the next higher level. The Board of Directors shall also provide for periodical review of the compliance of the Fair Practices Code and the functioning of the grievances redressal mechanism at various levels of controlling offices. A consolidated report of such reviews shall be submitted to the Board at regular intervals, as shall be prescribed by it.

338.The adoption of the Code, printing of necessary loan application forms and circulation thereof among the branches and controlling offices shall also be duly completed. The Fair Practices Code, which shall be adopted by the bank, shall also be put on their website and given wide publicity. A copy shall also be forwarded to the Reserve Bank.

B. Fair Lending Practice - Penal Charges in Loan Accounts

339.The bank shall adhere to following instructions for charging penal charges on loans. These instructions shall be applicable to all credit facilities including Cash Credit, Overdraft, securitisation and co-lending portfolios, etc. However, these

instructions shall not apply to Credit Cards, External Commercial Borrowings, Trade Credits (rupee / foreign currency export credit) and Structured Obligations which are covered under product specific directions, as also other foreign currency loans.

(1) Penalty, if charged, for non-compliance of material terms and conditions of loan contract by the borrower shall be treated as 'penal charges' and shall not be levied in the form of 'penal interest' that is added to the rate of interest charged on the advances. There shall be no capitalisation of penal charges, i.e., no further interest computed on such charges. However, this will not affect the normal procedures for compounding of interest in the loan account. Therefore, the bank may charge interest on unpaid interest (including on unpaid EMI) at the contracted rate of interest till the date of remediation, and not at the penal rate of interest.

Notes:

- (i) The material terms and conditions shall be defined, if not already done, as per the credit policy of the bank and they may vary from one category of loan to another, and also, from lender to lender based on their own assessment.
- (ii) Default in repayment by the borrower is also a type of non-compliance of material terms and conditions of loan repayment contract by the borrower and penalty, if charged, for such default shall only be levied in the form of penal charges and not penal interest. Such penal charges shall be reasonable and levied by the lenders only on the amount under default in a non-discriminatory manner as per their Board approved policy. Further, it shall be ensured that there is no capitalization of the penal charges i.e., no further interest computed on such charges.
- (iii) Additional / Fresh penal charges cannot be levied on the earlier outstanding amount of penal charges.
- (iv) In case of the funded facility created on account of invocation of BG / devolvement of LC, the bank may charge an appropriate rate of interest on the devolved amount taking into account the associated credit risk premium as per the bank's credit underwriting policy. However, penalty, if any, on that funded facility on account of non-repayment by the borrower within the due date may only be levied in the form of penal charges and not penal interest.
- (v) In respect of NPA accounts, penal charges shall be reversed to the extent it remains uncollected for the specific purpose of non-recognition of income.

However, the same shall be part of the total liability of the borrower to the bank, unless it is waived as per the bank's Board approved policy.

(vi) The bank shall disclose fees and charges, including penal charges, recovered from customers in 'Schedule 14: Other Income'.

(2) The bank shall not introduce any additional component to the rate of interest and ensure compliance to these guidelines in both letter and spirit.

(3) The bank shall formulate a Board approved policy on penal charges or similar charges on loans, by whatever name called.

(4) The quantum of penal charges shall be reasonable and commensurate with the non-compliance of material terms and conditions of loan contract without being discriminatory within a particular loan / product category.

Notes:

(i) The penal charges can be different within the same product category depending upon the amount of loan and the bank may adopt a suitable structure of penal charges subject to adherence to the above stipulations. The structure of penal charges within a particular loan / product category shall have to be uniform irrespective of the constitution of the borrower.

(ii) Although no upper limit / cap for penal charges has been prescribed, the bank, while formulating its Board approved policy on penal charges, should keep in mind that the intent of levying penal charges is essentially to inculcate a sense of credit discipline and such charges are not meant to be used as a revenue enhancement tool.

(5) The penal charges in case of loans sanctioned to 'individual borrowers, for purposes other than business', shall not be higher than the penal charges applicable to non-individual borrowers for similar non-compliance of material terms and conditions.

(6) The quantum and reason for penal charges shall be clearly disclosed by the bank to the customers upfront in the loan agreement and Most Important Terms & Conditions (MITC) / Key Fact Statement (KFS) as applicable, in addition to being displayed on the bank's website under Interest rates and Service Charges. Further, providing a reference to the schedule of penal charges displayed on the website of the bank in the sanction letter and loan agreement shall not suffice.

(7) Whenever reminders for non-compliance of material terms and conditions of loan are sent to borrowers, the applicable penal charges shall be communicated. Further, any instance of levy of penal charges and the reason therefor shall also be communicated.

(8) In the case of existing loans, the switchover to new penal charges regime shall be ensured on next review or renewal date.

However, in case of term loans, pre-payment charges, if levied by the bank, shall be based on the amount being prepaid. In case of cash credit/ overdraft facilities, pre-payment charges on closure of the facility before the due date shall be levied on an amount not exceeding the sanctioned limit.

(2) In case of cash credit/ overdraft facilities, no pre-payment charges shall be applicable if the borrower intimates the bank of his / her / its intention not to renew the facility before the period as stipulated in the loan agreement, provided that the facility gets closed on the due date.

- (i) Since the number of Gold Cards issued by banks was low, banks were advised to speed up the process of issue of the cards to all the eligible exporters especially the SME exporters and ensure that the process is completed within a period of three months.
- (ii) Simplified procedure for issue of Gold Cards as envisaged under the scheme should be implemented by all banks.
- (iii) The bank may consider exempting all deserving Gold Card holder exporters from the Packing Credit Guarantee Sectoral Schemes of ECGC on the basis of their track record.

(3) Review of export credit for non-star exporters: The banks should post nodal officers at Regional / Zonal Offices major branches for attending to credit related problems of SME exporters.

L.1.3 Delay in crediting the proceeds of export bills drawn in foreign currency

444. Delays are observed in passing on the credit of export bills drawn in foreign currency to the exporters after the foreign currency amounts are credited to the 'Nostro' accounts of the banks. Although there are instructions that the prescribed post-shipment interest rate will cease from the date of credit to the 'Nostro' account, the credit limits enjoyed by the exporters remain frozen till the actual date of credit of rupee equivalent to the account of the customer. There is, therefore, need to promptly restore the limit of the exporters on realisation of bills and pass on the rupee credit to the customer.

L.1.4 Payment of compensation to exporters for delayed credit of export bills

445. In respect of the delay in affording credit in respect of credit advices complete in all respects, the compensation stipulated by FEDAI should be paid to the exporter client, without waiting for a demand from the exporter.

446. The bank should devise a system to monitor timely credit of the export proceeds to the exporter's account and payment of compensation as per FEDAI rules.

447. The internal audit and inspection teams of the banks should specifically comment on these aspects in the reports.

L.2 Sanction of export credit proposals

L.2.1 Time limit for sanction

448. The sanction of fresh / enhanced export credit limits should be made within 45 days from the date of receipt of credit limit application with the required details / information supported by requisite financial / operating statements. In case of renewal of limits and sanction of ad hoc credit facilities, the time taken by the bank should not exceed 30 days and 15 days respectively, other than for Gold Card holders.

L.2.2 Other requirements

449. All rejections of export credit proposals should be brought to the notice of the Chief Executive of the bank explaining the reasons for rejection.

450. The internal audit and inspection teams of the bank should comment specifically on the timely sanction of export credit limits within the time schedule prescribed by RBI.

451. The bank should nominate suitable officers as compliance officers in its foreign departments / specialized branches to ensure prompt and timely disposal of cases pertaining to exporters.

452. It is necessary to submit a review note at quarterly intervals to the Board on the position of sanction of credit limits to exporters. The note may cover among other things, number of applications (with quantum of credit) sanctioned within the prescribed time-frame, number of cases sanctioned with delay and pending sanction explaining reasons therefor.

L.3 Guidelines for simplification of procedure for delivery of export credit in foreign currency

L.3.1 Simplification of procedures

453. The bank should simplify the application form and reduce data requirements from exporters for assessment of their credit needs, so that exporters do not have to seek outside professional help to fill in the application form or to furnish data required by the bank.

L.3.2 Fast track clearance of export credit

454. At specialized branches and branches having sizeable export business, a facilitation mechanism for assisting exporter-customers should be put in place for quick initial scrutiny of credit application and for discussions for seeking additional information or clarifications.

455. The bank should streamline their internal systems and procedures to comply with the stipulated time limits for disposal of export credit proposals and also endeavour to dispose of export credit proposals ahead of the prescribed time schedule. A flow chart indicating chronological movement of credit application from the date of receipt till the date of sanction should also accompany credit proposals.

456. The bank should delegate higher sanctioning powers to its branches for export credit.

457. The bank should consider reducing at least some of the intervening layers in the sanctioning process. It would be desirable to ensure that the total number of layers involved in decision-making in regard to export finance does not exceed three.

458. The bank should introduce a system of 'Joint Appraisal' by officials at branches and administrative offices, to facilitate quicker processing of export credit proposals.

459. Where feasible, the bank should set up a 'Credit Committee' at specialized branches and at administrative offices, for sanctioning working capital facilities to exporters. The 'Credit Committee' should have sufficiently higher sanctioning powers.

L.3.3 Publicity and training

460. Generally, export credit at internationally competitive rates is made available in foreign currency at select branches of banks. In order to make the scheme more popular and considering the competitive interest rate on foreign currency loans and to mitigate any possible exchange risk, exporters need to be encouraged to make maximum use of export credit in foreign currency. Banks located in areas with concentration of exporters should, therefore, give wide publicity to this important facility and make it easily accessible to all exporters including small exporters and ensure that more number of branches are designated for making available export credit in foreign currency.

461.The bank may also arrange to publicise widely the facility of prescribed interest rates being available for deemed exports and ensure that operating staff are adequately sensitised in this regard.

462.Officers at operating level should be provided with adequate training. In the matter of transfer of officials from critical branches dealing in export credit, the bank should ensure that the new incumbents posted possess adequate knowledge / exposure in the areas of forex as well as export credit to avoid delays in processing / sanctioning of export credit limits and thereby subjecting exporters to the risk of cancellation of export orders.

L.3.4 Customer Education

463.The bank should bring out a Hand Book containing salient features of the simplified procedures for sanction of export credit in Foreign Currency at internationally competitive rates as well as in Rupees for the benefit of their exporter-clients.

464.To facilitate interaction between the bank and exporters, the bank should periodically organise Exporters' Meet at centres with concentration of exporters.

L.4 Monitoring implementation of guidelines

465.The bank should ensure that exporters' credit requirements are met in full and promptly. The above referred guidelines must be implemented, both in letter and spirit, so as to bring about a perceptible improvement in credit delivery and related banking services to export sector. The bank should also address the deficiencies, if any, in the mechanism of deployment of staff to eliminate the bottlenecks in the flow of credit to the export sector.

466.The bank should set up an internal team to visit branches periodically, say, once in two months to gauge the extent of implementation of these guidelines.

However, this power has been delegated by the Central Government to State Governments vide the Government of India, Ministry of Home Affairs' Notification No. 20-25-56-Pub-I dated June 8, 1957. While delegating the power to declare public holidays within concerned States under Section 25 of the Negotiable Instruments Act, 1881, the Central Government has stipulated that the delegation is subject to the condition that the Central Government may itself exercise the said function, should it deem fit to do so. This implies that when Central Government itself has notified a day as "public holiday" under Section 25 of the Negotiable Instruments Act, 1881, there is no need for bank to wait for the State Government notification.

473. The bank shall extend necessary help / co-ordination to tax officials whenever required. G. Various Working Groups / Committees on Customer Service in Banks - Implementation of the Recommendations

474. The bank may submit a progress report on the measures taken to the Customer Service Committee of the Board.

H. Hedging of Commodity Price Risk - Creating awareness among borrowers

475. With a view to developing strong risk management capabilities to manage agri-commodity price risk, it is felt that banks shall encourage hedging by the agri-borrowers by creating awareness amongst them regarding the utility and benefits of hedging through agri-commodity derivatives. At the same time, the bank must keep the sophistication, understanding, scale of operation and requirements of their agri-borrower in mind while advising on the availability and use of these instruments.

476. To begin with, the bank may encourage large agricultural borrowers such as agricultural commodity processors, traders, millers, aggregators, etc., to hedge their commodity price risk. The hedging can be through agri-commodity derivative products available on recognised exchanges in India. The bank may educate its customers about the suitability and appropriateness of using these products for hedging specific exposures so that these customers can take an informed decision, lessening the scope for mis-selling of these derivatives.

Annex IV - Settlement of Claims

A. Settlement of claims in respect of deceased depositors – Simplification of procedure

A.1 Provisions of the Banking Regulation Act, 1949

1.The bank shall adhere to the provisions of Sections 45ZA to 45ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985.

A.2 Accounts with survivor / nominee clause

2.The payment of the balance in the deposit account to the survivor(s) / nominee of a deceased deposit account holder represents a valid discharge of the bank's liability in the case of deposit accounts where the depositor had utilised the nomination facility and made a valid nomination or where the account was opened with the survivorship clause ("either or survivor", or "anyone or survivor", or "former or survivor" or "latter or survivor"):

- (1) Provided the bank has exercised due care and caution in establishing the identity of the survivor(s) / nominee and the fact of death of the account holder, through appropriate documentary evidence;
- (2) Provided there is no order from the competent court restraining the bank from making the payment from the account of the deceased; and
- (3) Provided it has been made clear to the survivor(s) / nominee that he / she would be receiving the payment from the bank as a trustee of the legal heirs of the deceased depositor, i.e., such payment to him / her shall not affect the right or claim which any person may have against the survivor(s) / nominee to whom the payment is made.

3.Since payment made to the survivor(s) / nominee, subject to the foregoing conditions, would constitute a full discharge of the bank's liability, the bank shall desist from insisting on production of succession certificate, letter of administration or probate, etc., or obtain any bond of indemnity or surety from the survivor(s)/nominee, while making payment to the survivor(s) / nominee of the deceased depositor, irrespective of the amount standing to the credit of the deceased account holder.

A.3 Accounts without the survivor / nominee clause

4.The bank shall adopt a simplified procedure for repayment to legal heir(s) of the depositor in cases where the deceased depositor had not made any nomination or for the accounts other than those styled as "either or survivor" (such as single or jointly operated accounts). The bank shall keeping in view its risk management systems, fix a minimum threshold limit, for the balance in the account of the deceased depositors, up to which claims in respect of the deceased depositors could be settled without insisting on production of any documentation other than a letter of indemnity.

A.4 Treatment of flows in the name of the deceased depositor

5.In order to avoid hardship to the survivor(s) / nominee of a deposit account, the bank shall obtain appropriate agreement / authorisation from the survivor(s) / nominee regarding the treatment of pipeline flows in the name of the deceased account holder. In this regard, the bank could consider adopting either of the following two approaches:

The bank could be authorised by the survivor(s) / nominee of a deceased account holder to open an account styled as 'Estate of Shri _____, the Deceased' where all the pipeline flows in the name of the deceased account holder could be allowed to be credited, provided no withdrawals are made.

OR

The bank could be authorised by the survivor(s) / nominee to return the pipeline flows to the remitter with the remark "Account holder deceased" and to intimate the survivor(s) / nominee accordingly. The survivor(s) / nominee / legal heir(s) could then approach the remitter to effect payment through a negotiable instrument or through ECS transfer in the name of the appropriate beneficiary.

A.5 Time limit for settlement of claims

6.The bank shall settle the claims in respect of deceased depositors and release payments to survivor(s) / nominee(s) within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claim(s), to the bank's satisfaction.

7.The bank shall report to the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, the details of the number of claims received

pertaining to deceased depositors / locker-hirers / depositors of safe custody article accounts and those pending beyond the stipulated period, giving reasons therefor.

A.6 Claim Forms to be made available

8.The bank shall provide claim forms for settlement of claims of the deceased accounts, to any person/s who is / are approaching the bank / branches for forms. Claim forms may also be put on the bank's website prominently so that claimants of the deceased depositor can access and download the forms without having to visit the concerned bank / branch for obtaining such forms for filing claim with the bank.

9.The bank shall devise its own claim format to establish the identity of nominee, as also to verify the proof of death or follow the procedure, if any, suggested by the Indian Banks' Association for the purpose. The Indian Banks' Association has devised a format for establishing the identity of the nominee and also advised member banks to follow the prevalent procedure in respect of proof of death of the depositor vide its circular SO/22-53-I/4717 dated 27th June, 1985. The bank shall issue suitable instructions to the branches for introducing necessary claim format. A copy of the instructions issued to the branches in this regard shall be forwarded to the RBI for information.

B. Settlement of Claims in case of death of a Customer in respect of Safe Deposit Locker / Safe Custody Article Facility

10.The bank shall have a Board approved policy for settlement of claims. The policy shall be in conformity with the regulatory instructions and the Model Operational Procedure (MOP) for settlement of claims of the deceased constituents formulated by the IBA.

11.The bank shall have a Board approved policy for nomination and release of contents of safety lockers / safe custody article to the nominee and protection against notice of claims of other persons in accordance with the provisions of Sections 45 ZC to 45 ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985 and the relevant provisions of Indian Contract Act and Indian Succession Act.

12.In order to ensure that the articles left in safe custody and contents of lockers are returned to the genuine nominee, as also to verify the proof of death, the bank shall devise its own claim formats, in terms of applicable laws and regulatory guidelines.

13.The bank shall settle the claims in respect of deceased locker hirers and shall release contents of the locker to survivor(s) / nominee(s), as the case may be, within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claimant(s) with reference to nomination, to the bank's satisfaction.

14.The bank shall report to the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, the details of the number of claims received pertaining to deceased locker-hirers / depositors of safe custody article accounts and those pending beyond the stipulated period, with reasons therefor. Customer Service Committee of the Board of the bank shall review the settlement of claims and make suggestions to ensure that the claims are settled as early as possible unless there is any litigation pending before the Courts or any difficulty is being faced in identifying the true claimant with reference to nomination.

C. Settlement of claims in respect of missing persons

15.The bank shall follow the following system in case a claim is received from a nominee / legal heirs for settlement of claim in respect of missing persons:

(1) The settlement of claims in respect of missing persons shall be governed by the provisions of Section 110 / 111 of the Bharatiya Sakshya Adhinyam, 2023. Section 110 deals with presumption of continuance and Section 111 deals with presumption of death. As per the provisions of Section 111 of the Bharatiya Sakshya Adhinyam, 2023, presumption of death can be raised only after a lapse of seven years from the date of his / her being reported missing. As such, the nominee / legal heirs have to raise an express presumption of death of the subscriber under Section 110/111 of the Bharatiya Sakshya Adhinyam, 2023 before a competent court. If the court presumes that the missing person is dead, then the respective claim can be settled on the basis of the same.

(2) The bank shall formulate a policy which would enable them to settle the claims of a missing person after considering the legal opinion and taking into account the facts and circumstances of each case. Further, keeping in view the imperative need to avoid inconvenience and undue hardship to the common person, the bank shall, keeping in view its risk management systems, fix a threshold limit, up to which claims in respect of missing persons could be settled without insisting on production

of any documentation other than (i) FIR and the non-traceable report issued by police authorities and (ii) letter of indemnity.
