The request shall detail the reasons for not completing the exercise within the stipulated timeframe. Such requests may be considered by the Regional Director / Officer-in-Charge of Reserve Bank based on the merits of each case.

Chapter IV: Asset Classification

31. The additional specific provisions so maintained upon restructuring may be written back upon the borrower paying at least 20% of the outstanding debt with the bank, without slipping into NPA post implementation of the restructuring, and without being subjected to another restructuring.

32. If the outstanding debt post-restructuring is only in the form of non-fund-based facilities or facilities in the nature of cash credit / overdraft, the additional provisions can be reversed after one year, post implementation of the restructuring, provided the borrower was not in default at any point of time during the period concerned.

The insurance proceeds upon receipt shall be adjusted towards the 'restructured accounts' in cases where fresh loans have been granted to the borrower. However, a bank may consider restructuring and sanctioning fresh loans without waiting for the actual receipt of the claim.
34. Interest Subvention/ Prompt Repayment Incentive benefits as notified by the Government from time to time shall be made available to the eligible categories of borrowers without any exception.
